About the NITK Surathkal Alumni Association

The alumni association of NITK supports and promotes candid interactions amongst the students, faculty and alumni located across the globe. It provides a platform where members can share their experiences and learnings for the benefit of other members.

*First you're a part of it,
then it becomes a part of you...*

Apart from hosting global networking events, the Alumni association, support Alma Mater in several ways:

- Provides financial support to students through student welfare funds. The fund has helped many students over the years. The Alumni Association plans to create a large corpus for this purpose.
- Supports the Green Revolution Project, under which over 20,000 saplings have been planted across the NITK campus.
- Felicitates student participants in technical conferences and paper presentation competitions.
- Assists with projects, internships and entrepreneurship development.
- Skilling of Alumni Members, Assisting them in re-employment of retired Senior Alumni members.
- Assisting Alumni Members in their calamities and serious health problems.

Global Convention 14 (GC-14)

Alumni Global Conventions are international events where we come together to celebrate the love for our Alma Mater and the sense of belonging that we all share towards the big NITK family. The previous 13 events were held in locations like, Surathkal, Belgaum, Bangalore, United States of America, UAE, Mumbai, Lucknow, Hyderabad, besides at college premises.

With the 14th Global Convention - 2022 being hosted at Surathkal in the Milieu of its Diamond Jubilee - 2020 of our Alma Mater, which could not be celebrated in real grandeur due to pandemic, we expect participation of large number of NITK alumni. The vision and the planned endeavors of the Alumni Association for the near future along with the accomplishments of the past, will be shared in their presence.

We hope to bring together the present and the future generations of engineers, entrepreneurs, leaders and managers during the Global Convention- GC-14 and facilitate exchange of knowledge, experience and ideas.

Appeal for Charitable donations and sponsorship

Dear Sponsor,

The Alumni Association, apart from the initiatives taken up already, has the vision to create a close linkage between Institute and the industry. Following are the few projects:
